

Amendments to the Drawings

Attached are two (2) replacement sheet(s) and two (2) annotated sheet(s).

To further the prosecution of this application, amendments have been made to drawings in Figs. 2 and 4 as illustrated in the attached replacement sheet(s) and annotated sheet(s). This application claims priority to a French application. Many of the amendments to Figs. 2 and 4 include changing French terminology to English terminology, including changing several occurrences of "O" (Oui) to "Y" (Yes). Further, Applicant has amended Fig. 2 by adding an arrowhead to the line connecting element 22 to element 24. No new matter has been added by these drawing amendments, and the Examiner is respectfully requested to approve them.
